Fire Pit Permit

Out-of-doors open fire pit fires are allowed at all times provided the pit has been approved and the following restrictions are adhered to:

1. The fire pit is located on private property, and
2. The fire pit is made of noncombustible material such as rock or brick, and
3. The fire pit has a 15' diameter around the pit which is noncombustible, and
4. Water of sufficient quantity for fire suppression, a hose and a shovel must be in the immediate vicinity of the fire pit at all times that a fire is present, and
5. A person over the age of 16 years must be present and attending the fire at all times.

By signing below, I _____, agree to build accordingly, maintain, and adhere to the fire pit restriction as outlined above.
