

STRATEGIC PLAN OPEN HOUSE

Wednesday, September 18

5:30 - 7:30 pm

Rockaway Beach City Hall

Over the summer we asked for all who live, work, play, and visit Rockaway Beach to share their feedback for our Strategic plan via a community survey. We received thousands of ideas and suggestions from the survey and social media. We are excited to share the themes that emerged from everyone's feedback and learn more about the actions you would like to prioritize for the future.
