STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING *

1) As noted in the FY 24/25 Budget, the City anticipated to incur \$3,000,000 debt service to finance the Nedonna Beach major capital improvement project. Due to delays, this financing was not received in the FY 24/25 and will be received this Budget Year 25/26. This water loan is anticipated to be subsidized. Once the project is complete the prinicpal for repayment will be reduced by \$1,800,000 from the State of Oregon's Clean Water State Revolving Fund. 2.) The City is proritizing financing the purchase of the lower half of the Jetty Creek Watershed, the City's source water. Due to unknown resource availibility through federal grants, the City has built in additional financing options that could include debt, cash, or grants for up to \$5,000,000 that could fund the Jetty Creek acquisition.
