

ATTENTION!

The City of Rockaway Beach has contracted with Pave Northwest Inc. to complete road resurfacing on May 20th-21st. **Roads will be temporarily closed** between 8:00am-5:00pm while construction takes place and the material cures.

This work will improve the quality of the driving surface and provide longevity to the pavement beneath. You can **anticipate the road surface to be sandy** following the resurfacing - this is completely normal and should be expected.

This project is weather dependent. Delays may occur due to rain.
