

Site Plan Example

The following items **must be** clearly indicated on the site plan:

- A. Map & TL, Owner info
- B. Scale & North direction
- C. Property Lines
- D. All dimensions
- E. All structures
- F. All setbacks
- G. Access/Driveway/Parking
- H. Streets
- I. Any noted easements
- J. Wetland/Streams
- K. Utility Connections for New Homes
(S – Sewer, W – Water)

New home site plans must be to scale, if the listed scale does not work, it will be rejected.
